ANNUAL CONFERENCE 15th & 16th October, 2015

“Lifting Learner Achievement”

The Lakes Resort – West Lakes – Adelaide

How can Area Schools better engage with Central Office and systemic support to lift learner achievement? Please join us for the opportunity to meet and listen to the Directors of the DECD Offices that offer support to all sites and specifically what this might mean for Area Schools, how Area Schools might improve their engagement with these Offices and their services and what future opportunities for engagement might there be for Area Schools.

Thursday 15th October – Lakes Hotel - Northbank Room - Optional conference afternoon sessions:

1.00 SACE Improvement in an Area School - Streaky Bay Area School (2015 SACE Improvement School)

Covering: tracking and monitoring, student voice, peer observation, teacher and student feedback, explicit teaching, capturing learning through film, task design and moderation, achievement data – annual meeting with principal, lifting the a’s, subject selection, local delivery/blended learning, classroom wall displays.

3.30 CAD Programme – Roxby Downs AS (CAD Specialist School)
